▼ **NEW! THE SHELTERING TREE**

The arching branches of a Tree of Life offer welcoming shelter, both in the shade beneath, and for creatures among the leaves. Plant a tree at your entry—door arch features a tree in full flower, birds perched among the branches. Made in Haiti of recycled oil drums; fair trade. 17" x 34". Gift wrap and rush delivery not available.

D22004 Tree of Life Door Arch \$120

▲ **NEW! SEASONS IN TIME**

Stags grow and shed their antlers each year, one of nature's most dramatic illustrations of the cycle of the seasons and passage of time. Antlers encircle a clock, a contemplation of two measures of time. Faux antlers of hand-painted resin, quartz-movement clock. 5" high x 8½" wide.

D92101 Antler Table Clock \$21

Claddagh

Celtic Knot

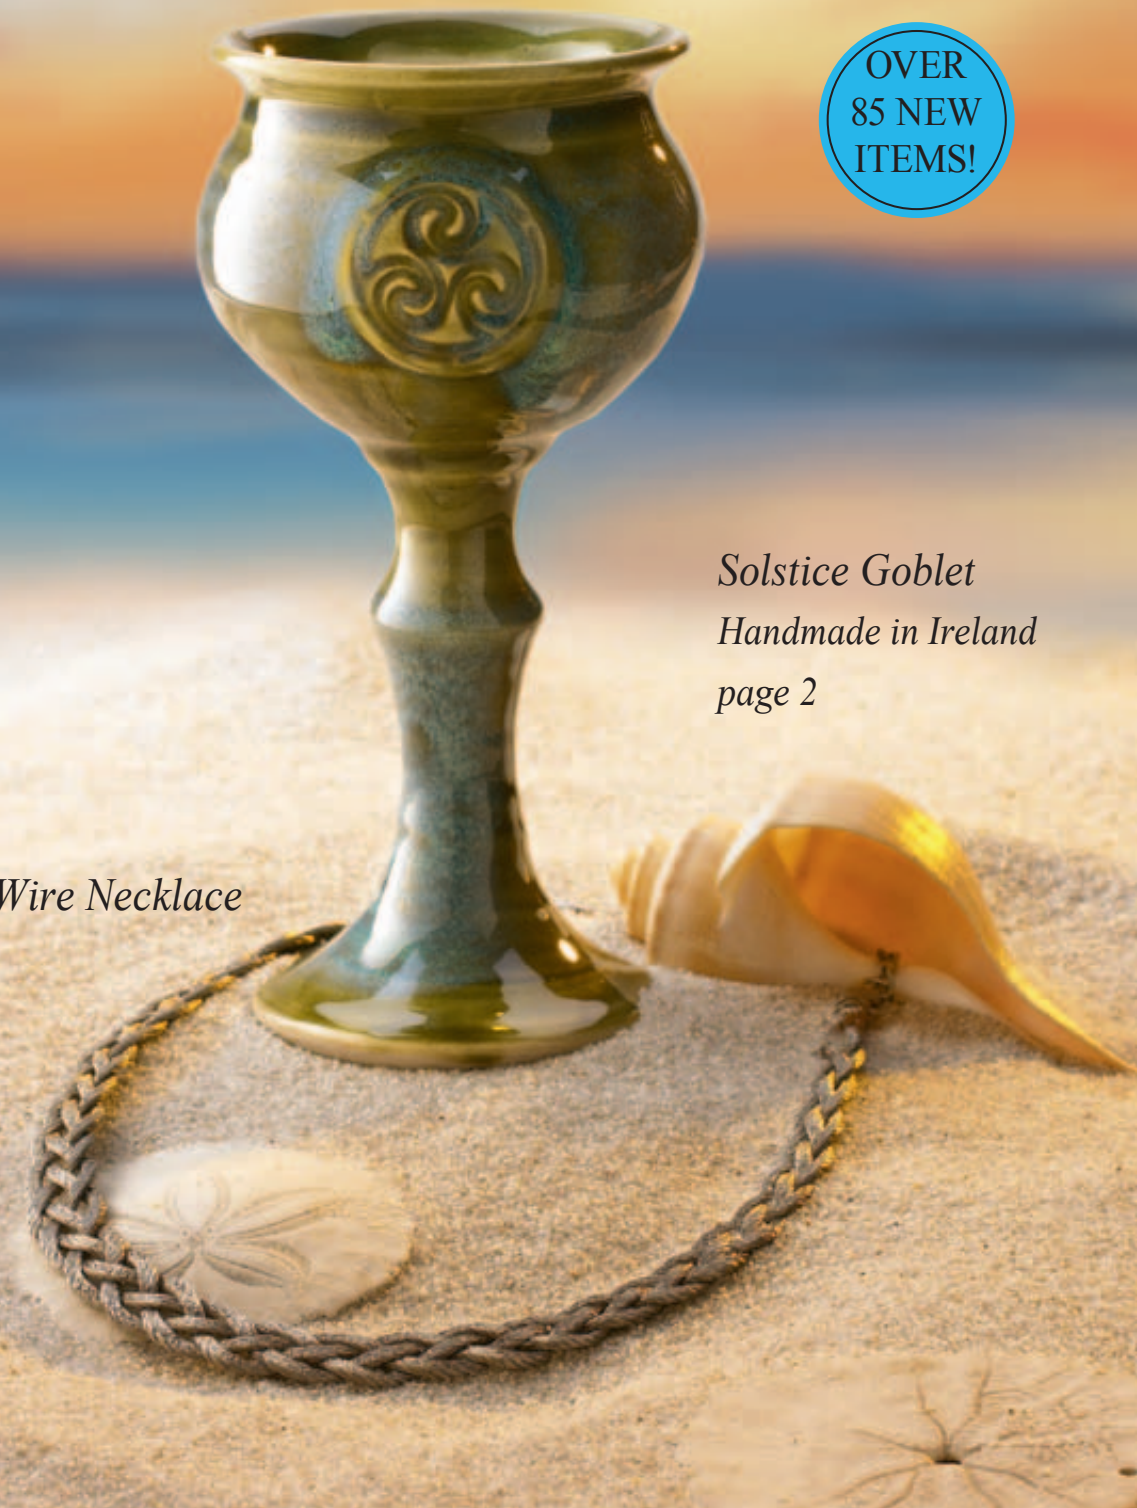

Crossed Thistles

◀ **WATCHING THE WATCHWORKS**

A marvel of the pre-digital age—the small, precise gears, levers and springs of an old-fashioned mechanical watchworks. The clear center of the face and back of this marvelous pocket watch allow a view into the 17-jewel movement. The front and back will stay open to allow the watch to be displayed on a desk or table. Yes, you have to wind it—never needs a battery change! 1 7/8" diameter. Case available in Claddagh, Celtic Knot or Crossed Thistles designs. With 14" chain. Gift-boxed. Made in UK.

J80013 Mechanical Pocket Watch \$85

Printed in USA on recycled paper (minimum 10% post-consumer waste).
